Canadian Federal Election 2015
Recommended Actions for Duty Free Operators

How can you become involved in the Federal Election and the recommended steps to participate?

Three Recommended Key Actions each store should consider to become more active in the Federal Election:

1. Attend a Political Event in your local community – a town hall meeting, a fundraising barbeque or dinner, etc.
2. Support your chosen candidate or political party by making a donation
3. Send a communication to your candidate of choice or all candidates in your riding and express your opinions. This could be in relation to improving your border community, supporting small business/duty free, etc.
    a. Communication through email, letter or even social media – Make your voice heard!
