To the organizers/attendees/participants of the Frontier Duty Free Association Annual Convention 2010

As many of you know, Child Find Canada is a registered not for profit, charitable organization funded primarily through private and corporate donations. We promote awareness of the issues relating to missing and exploited children, and support the development of existing and future member organizations across Canada, believing that "A Missing Child is Everyone's Responsibility".

We are so privileged to be associated with the Frontier Duty Free Association and honoured that as a group you have continued to support our work. At Child Find Canada we feel very strongly that, with the help of the community, we can create a safer environment for all children to grow and develop. While we see stories of individuals who harm our children, we must recognize that most adults want to protect them. The good vastly outnumber the bad; and if all those healthy adults make child safety a priority, we will succeed in providing a nurturing environment for the benefit of all Canadian children.

While the FDFA celebrates its 25th Anniversary in 2010, we, at Child Find Canada, extend a heartfelt "Thank You" for selecting us as your charity of choice.

Your financial support allows us the opportunity to make a real difference in the lives of children, provide ongoing national case management training opportunities and meeting our mission and mandate.

All Children have a right to be safe!

Sincerely,

Child Find Canada Inc.
